

SERIES 700 RATCHET CLUTCH

LIGHT, DURABLE, AND ECONOMICAL.

Although they weigh less and cost less than cast iron clutches, 700 Series clutches are rugged enough to handle many of the same applications. There are two standard sizes and custom models are also available.

Guaranteed against defects in material and workmanship for a period of one year from date of delivery.

- Fingertip control of a range of motion: one-way left, one-way right, freewheeling, and fully locked.
- Control lever can be connected to hydraulic, pneumatic, or electric actuators for remote shifting.
- Simple design ensures durability and reduces purchase and operating costs.
- High drive torque to weight ratio.
- Maximum driving efficiency.
- Minimal overrunning torque.
- Versatile mounting options.
- Standard gear openings available in hex, square, and bore and keyway (per ASA B17.1).
- Can be used singly or in combination.
- Open sided for easy, minimal maintenance.
- Alignment is not critical.
- Custom models available.
- 100% made in USA.
